In order for a full member to exhibit artwork in any club sponsored exhibition event, we require your signature on the Exhibition Waiver below, plus your active and willing involvement in one of the above checked areas of interest.

Artists of the Oaks

Visual Arts Group of Lake Wildwood

Artists of the Oaks - Exhibition Waiver

By signing below members agree to these exhibit requirements and understand that neither Artists of the Oaks, its officers, or the Lake Wildwood Association is responsible or liable for loss, theft, or damage to artwork or photography.

Guidelines ~ Club-Sponsored Exhibits and Events

Artists of the Oaks and the LWW Association will not be held liable for theft, loss, damage, or personal injury at any Club-sponsored event. Notification of deadline requirements for participation in all Club-sponsored events, including exhibits, field trips, social gatherings such as the Holiday Party, and any other event that requires significant planning, will be distributed to all members at least two weeks before the event.

Due to potential disruptions caused by late registration, deadlines will be strictly enforced. In extenuating circumstances, a member requesting an exception to the deadline rule must submit a written request to the Club's Board of Directors, which has sole authority to accept or reject such requests. Event organizers have no authority to accept registrations after the deadline.

Club-Sponsored Exhibits

Only paid Individual Members can participate in Club-sponsored exhibits, including The Gallery @ the Oaks Clubhouse, the LWW Community Center, External Exhibits, the Annual Art Flair, and other community venues.

- All artwork must be pre-registered by the stated deadline. No registrations will be accepted after the deadline.
- Artists are responsible for delivering their artwork to the exhibit and for collecting it at the end of the show. (If you are unavailable, *please arrange to have someone else deliver and collect your artwork. This is not the responsibility of the Exhibit Curator.*)
- All artwork should be properly framed and wired.
- The wire needs to be weight limit specific and mounted firmly 1/4 length from the top of the frame or canvas.
- Unframed wrap-around canvas is acceptable.
- On the back of each piece of artwork, please write your name, artwork title, and medium, so we can match artwork with labels.
- Sold artwork can be collected during the show as long as the art is replaced by the Artist with a similar sized piece approved by the show's Curator.
- ***The artist pays a 15% sales commission to the Curator for each piece sold.*** Make checks payable to Artists of the Oaks.

Thank you for complying with these requirements.
